ABOUT ME

Aspiring Front-End Developer and Computer Engineering student, turning ideas into interactive web experiences. Experienced with React, JavaScript, and responsive design, eager to learn and contribute to innovative projects.

EDUCATION

Azerbaijan State Oil and Industry University (ADNSU)

Bachelor's Degree in Computer Engineering (BA Programs) – English-taught Program

Matrix Academy

Front-End Development Program (Scholarship-based)-ongoing

INTERNSHIP EXPERIENCE

Front-End Development Intern –(Remote) Intern Intelligence | CodeAlpha

- Developed responsive, component-based web interfaces using HTML5, CSS3, JavaScript (ES6+), and React.js with props, state, and hooks.
- Implemented CRUD operations, form validation, interactive elements, and DOM manipulation, working with REST APIs via Axios.
- Managed projects with Git & GitHub (basic usage) and enhanced debugging and responsive design skills.
- Built mini-projects including landing pages and dashboards to apply practical Front-End development skills.

VOLUNTEERING EXPERIENCE

Volunteered at Baku Zoological Park and am an active member of the Sports Volunteers Agency (İKA) and “Bir Konullu” Organization.

SKILLS

- Front-End Tools & Frameworks: React.js (Hooks, Component-based Architecture), HTML5, CSS3 (Flexbox, Grid), Responsive Web Design (mobile-first approach), JavaScript (ES6+), DOM manipulation, Bootstrap 5, Tailwind CSS (basic class-level understanding), React Router, Redux (basic state management), CRUD Operations, Dynamic Data Rendering, REST API Integration (Axios,Fetch), LocalStorage & SessionStorage, Error Handling,Supabase (database setup, CRUD operations, React integration)
- Version Control: Git & GitHub (branching, merging, collaborative workflows)
- UI/UX & Design: Responsive, cross-browser, component-based, interactive UI
- Programming & Scripting: JavaScript (advanced), Python (basic), C# & C++ (basic), SQL (basic)
- Problem-Solving & Debugging: Debugging, browser dev tools, responsive layout adjustments
- Soft Skills: Teamwork, time management, continuous learning, integrating feedback

CERTIFICATIONS

- Front-End Development , Programming with JavaScript– Meta (Coursera)
